Spring 2015 Student Positions

If you are interested in global issues and want to gain course credit and experience, then you might consider applying for an internship or fellowship with GP. The office is offering eight paid fellowship positions and several internship positions for the spring semester. Students from any major can apply. Some fellowships even accept applications from other educational institutions. In addition to providing research and office assistance, interns and fellows help to facilitate the multiple public events that GP organizes each semester. Every fellowship program awards \$500 for the semester with the exception of the Lawrence J. Chastang Global Fellowship, which provides \$1,000.

Interns and fellows pose with GP visitor Wes Moore at a recent event

Internships require an applicant to have a minimum 3.0 GPA, to be at least a Junior and to submit an application and resume by November 28, 2014. Applicants for fellowships must also be a Junior or higher and submit a resume and application, but must also have a minimum 3.5 GPA, two letters of reference, a one-page personal statement, a 5-10 page writing sample and an unofficial transcript. Interns and fellows are expected to have a

weekly time commitment of approximately 12 to 15 hours, with 10 hours dedicated to time in the office. To apply, or for more information, students can go to the GP website or contact the Intern Supervisor, Jocelyn Figueroa. "We at the office are excited to welcome new fellows and interns for the spring semester. We look forward to your applications," says Figueroa.

Shut Out Trafficking

Our team is excited to help promote a week of events to "Shut Out Trafficking." UCF DeVos Sport Business Management, has partnered with UNICEF, UCF Athletics and the National Consortium for Academics and Sports to present Shut Out Trafficking Week, November 10-14, at UCF.

The goal of Shut Out Trafficking is to educate people by using the sports platform about the evils of human trafficking. At major sports events such as the Super Bowl, Major League Baseball All-Star Game, NBA All-Star Game and the World Cup, traffickers bring in women and girls to serve men who frequently travel without their spouses and consume significant amounts of alcohol for several days to a week. Police and local authorities have finally started to focus on these events in the months leading up to and during the event.

The week will help raise awareness and provide ways for students, faculty and staff to get involved in educating others to identify and prevent these crimes in our own community. Click [here](#) to see the event flyer with a list of events.
